

## Actinium-225

Form Nitrate in solid form

Specific activity 58 000 Ci/g

Purity Ac-225 > 99.9% Ra-225 < 0.02% Ra-224 < 0.002%

Other isotopes: < 0.0007%

Non-active impurities:

< 10 mkg/mCi

Total activity
On customer's request

Half-life 10.0 days

Storage and transportation conditions

Ambient temperature

Type A package

Primary package
Standard glass vial for medical
product
